About us

Ciencie Meetings Conferences provide a global platform for exchanging ideas and keeps on updating about the latest innovations in different Subjects. Opportunity to attend the presentations delivered by eminent Scientists from all over the world. Global networking: In transferring and exchanging Ideas. A Unique Opportunity for Advertisers and Sponsors at this International event. We present you team of dedicated minds driven by the thought of gathering together the people of alike objected to an exclusive platform. Science brings forward the art of molding the experience and the experiments into a reality. These assembling realities, eventually, give birth to the various fields all together comprise a world get known as science, technology, and advancement. Scientific Meet Icon conference acts a dais where people from various parts of the world come together and discuss topics, ranging from physics to medicine, everbeneficial to an advancement of the human civilization. Alongside, the news and views get exchanged among the personnel across the globe. Scientific Meet Icon strives toward evolving a resource of information, unprecedented problems as well as their solutions such that it enhances the very core of the scientific community thus adding values to human society. Come. Join us! View the substantial minds talk their cut- through researches at the Scientific Meet Icon conferences. Well organized scientific program. (click here for more)

- Renowned speakers and scientists across the globe.
- Poster presentations and world class exhibits.
- Panel discussions and interactive sessions.
- B2B meetings.
- Perfect platform for Global Networking

Conference and Webinar Details

About Conference

We are delighted and extremely glad in announcing our upcoming “World European Congress on Cell & Stem Cell Research” will be held in Rome, Italy on April 12-14, 2027 .

The program will grab on both international and regional speakers’ who are experts in Cell & Stem Cell Research knowledge. Topics would be focused on common and updated scientific knowledge with the theme of “Promising a New Path for Cell & Stem Cell Research”.

We cordially welcome all concerned people to come join us and make it successful by your participation!!

Join us either virtually or in Rome, Italy and get inspired by the industry’s top Stem Cell professionals and discover what it takes to advance your practice by providing better Health care. ([click here for more](#))

About Webinar

World European Congress on Cell & Stem Cell Research is Organized by Ciencie Meetings conferences during April 12-14, 2027 focused on the theme “Promising a New Path for Cell & Stem Cell Research”. Attendees have the opportunity to receive an e-certificate for attendance. Join this extraordinary forum to create meaningful partnerships with 150+ Cell Biology experts.

Our goal is to bring together worldwide distinguished academics in the field of Cell & Stem Cell Research to exchange and share meaningful experiences of various treatment procedures for the betterment of mankind.

We cordially welcome all concerned people to come join us at our meeting and make it successful by your participation. ([click here for more](#))

CONFERENCE HIGHLIGHTS

Lectures by the active Investigators

Keynote forums by Renowned Speakers

Speaker Forum

Poster Sessions on latest Innovation in all the relevant Areas

Panel discussions and interactive sessions.

Open Innovation Challenges

Poster Sessions on every career stage

Post-Doctoral Career Development Session

Young Research Forum

B2B Meetings

Global Networking with 50+ Countries

Novel techniques to benefit your research

Best platform for Global business and Networking opportunities

Excellent platform to showcase the latest products in Neuroscience and affiliates

TARGET AUDIENCE

Stem cell researchers & Cell biologists

Molecular biologists & Geneticists

Biomedical scientists & Physicians and clinicians

Regenerative medicine specialists

Hematologists and oncologists

Neurologists and cardiologists

Transplant specialists

Biotechnology professionals

Pharmaceutical researchers

Drug development scientists

Clinical research professionals

Medical technology innovators

Professors and lecturers

Postdoctoral fellows

PhD scholars and graduate students

Undergraduate students in life sciences and biotechnology

Representatives from research institutes

Healthcare policymakers

Bioethics experts

Members of organizations such as International Society for Stem Cell Research

Biotech entrepreneurs & Healthcare startups

Venture capital investors in biotechnology

Session Highlights

- 3D Bioprinting and Stem Cell Applications
- Adult Stem Cells and Tissue Regeneration
- Artificial Intelligence in Stem Cell Research
- Biomaterials in Tissue Engineering
- Cell-Based Therapies in Modern Medicine
- Cellular Signaling Pathways in Stem Cells
- Clinical Trials in Stem Cell Therapy
- Embryonic Stem Cells and Developmental Biology
- Ethical Issues in Stem Cell Research
- Future Perspectives in Cell and Stem Cell Research
- Gene Editing and Stem Cells (CRISPR Technology)
- Hematopoietic Stem Cell Transplantation
- Induced Pluripotent Stem Cells (iPSCs)
- Organoids and Cellular Models
- Regenerative Medicine and Tissue Engineering
- Stem Cell Biology and Cellular Mechanisms
- Stem Cell Differentiation and Reprogramming
- Stem Cell Genomics and Proteomics
- Stem Cell Niche and Microenvironment
- Stem Cell Therapy for Degenerative Diseases
- Stem Cells in Cancer Research
- Stem Cells in Cardiovascular Diseases
- Stem Cells in Development and Aging
- Stem Cells in Diabetes Treatment
- Stem Cells in Neurological Disorders
- Stem Cells in Organ Repair and Regeneration
- Stem Cells in Orthopedic and Musculoskeletal Disorders
- Stem Cells in Personalized and Precision Medicine
- Stem Cells in Wound Healing and Tissue Repair
- Translational Stem Cell Research

VALUE PROPOSITION

Partnership with Euro Stem Cell 2027 will be a key step for your company in fostering relationships with our community. Euro Stem Cell 2027 will allow your company, product and brand to be uniquely and actively showcased at this exciting international forum. Conference City: Rome, Italy

Rome, the capital of Italy, is one of the most historic and culturally significant cities in the world. Often referred to as the “Eternal City,” Rome is renowned for its remarkable blend of ancient heritage and modern lifestyle. The city is home to iconic landmarks such as the Colosseum, Roman Forum, Pantheon, and the beautiful Trevi Fountain, each reflecting the grandeur of ancient Roman civilization.

Rome is also famous for being the center of the Catholic Church, as it hosts Vatican City, where visitors can explore St. Peter’s Basilica, the Vatican Museums, and the magnificent Sistine Chapel painted by Michelangelo. The city’s charming streets, elegant piazzas, and historic architecture make it a captivating destination for travellers and scholars alike.

In addition to its history and art, Rome offers world-class Italian cuisine, vibrant culture, and warm hospitality. With its rich heritage and inspiring atmosphere, Rome serves as an ideal destination for international conferences and global academic gatherings.

Why to visit Rome in April 12-14, 2027 ?

Rome is an exceptional destination to visit in April, offering pleasant spring weather, blooming gardens, and a vibrant atmosphere throughout the city. During April 12-14, 2027, visitors can enjoy comfortable temperatures that are ideal for exploring Rome’s world-famous landmarks, including the Colosseum, Roman Forum, Pantheon, Trevi Fountain, and St. Peter’s Basilica.

Spring is one of the most beautiful seasons in Rome, as parks and public spaces come alive with colorful flowers and lush greenery. The mild climate allows travelers to stroll through historic streets, enjoy outdoor cafés, and experience authentic Italian cuisine in charming piazzas.

Beyond its rich history and architecture, Rome offers outstanding museums, art galleries, and cultural experiences that reflect centuries of civilization. Visitors can also discover vibrant local markets, elegant shopping districts, and traditional Italian hospitality.

Whether you are interested in history, culture, art, or gastronomy, Rome provides an unforgettable experience, making April 12-14, 2027, a perfect time to explore the Eternal City and its timeless treasures.
